[For departmental use]
[Exercise-05]

E-exercise

On

Intellectual Property Rights
(I.P.R.)

Intellectual Property Rights

Note:

In this E-exercise, attempts have been made to understand the concept of Intellectual Property Rights in the Customs and Excise Department. It is expected that it will help the new entrants into the service. Though all efforts have been made to make this exercise error free, but it is possible that some errors might have crept into the same. If you notice any errors or if you have any suggestion to improve this exercise, the same may be brought to the notice to the NACEN, RTI, Kanpur on the Email addresses: rtinacenkanpur@yahoo.co.in or goyalcp@hotmail.com (Email address of ADG, RTI, NACEN, Kanpur). This may not be a perfect E-exercise and all are requested to assist us to make it better.

Intellectual Property Rights

Q. No.5: State whether the following are TRUE or FALSE:-

Sl. No.	Description	TRUE	FALSE
	Right holder has option to choose the location of the Customs house where they wish to record the notice for suspension of suspected infringing goods		
	Right holder need not to separately register different IPRs viz. Copyrights, Trademarks, Patents and Designs.		
	For every right, the right holder is required to file a separate notice		
	Unique Temporary Registration Number (UTRN) generated by the system provides protection to the right holder		
	The right holder has no option but to execute General Bond without security and consignment specific bond with security at the time of interdiction of infringing consignment to the jurisdictional Commissioner of Customs		
	In order to effect the IP recordation, multiple digital images of genuine product are required		
	List of countries, where the IPR right holder's genuine goods are manufactured, is no more required in order to effect IP recordation		
	Once the recordation process is complete, any goods infringing the IPRs through any port shall be deemed to be prohibited
